

NIVAS KUMAR S

WordPress & Website Developer | Elementor Specialist

+91 9244544591 • nivask457@gmail.com • Madurai, Tamil Nadu (Open to Remote) • nivas-kumar-portfolio.vercel.app

PROFESSIONAL SUMMARY

Results-driven WordPress & Website Developer with 2+ years of agency experience building high-converting, responsive websites using WordPress, Elementor Pro, and WooCommerce. Proven expertise in converting designs into pixel-perfect layouts, optimizing Core Web Vitals and PageSpeed scores, configuring eCommerce stores, and implementing tracking solutions including Google Analytics, Google Tag Manager, and Meta Pixel. Experienced in managing multiple client projects end-to-end — from domain and hosting setup to launch and post-deployment maintenance — for corporate, service-based, portfolio, and eCommerce websites.

CORE COMPETENCIES

WordPress Development • Elementor Pro • WooCommerce • Responsive Web Design • Website Speed Optimization

Core Web Vitals • On-Page SEO • Google Analytics • Google Tag Manager • Meta Pixel • HTML5 / CSS3 / JavaScript • PHP / MySQL • API Integrations • Website Migrations • SSL / DNS / Hosting

WORK EXPERIENCE

Web Developer | Hello Technologies

2026 – Present

- Develop responsive WordPress websites using Elementor, converting UI/UX designs into pixel-perfect, mobile-optimized layouts for corporate and service-based clients.
- Build and customize landing pages focused on lead generation and conversions, integrating third-party APIs and plugins.
- Perform cross-browser and cross-device testing before deployment, resolve technical bugs, and maintain clean documentation following coding standards.
- Collaborate closely with design, marketing, and project management teams to deliver websites within agreed timelines.

WordPress Developer | MBG Card Pvt. Ltd

2025 – 2026

- Developed and managed responsive service-based websites with custom WordPress themes, improving user experience and overall site performance.
- Optimized site structure, Core Web Vitals, and on-page SEO to improve search visibility and generate more client leads.
- Configured domains, hosting environments, SSL certificates, and DNS settings for multiple client projects.

WordPress Developer | PSV Media

2024 – 2025

- Built and customized eCommerce, service, and blog websites using WordPress and WooCommerce, including product setup, payment gateways, and checkout flows.
- Collaborated with designers and content teams to create user-friendly layouts, improving engagement and organic site traffic.
- Implemented website performance enhancements including image optimization, caching, and CSS/script optimization.
